

What Visitors Say:

1 Home Away From Home

Coming from South Africa, the house really felt like a home away from home. We loved all your animals and really appreciated how you went out of your way to make us feel welcome – thank you so much.

We will certainly be back.

Schalk, Lizette and Karli

2 We don't want to leave

We are so grateful for the hospitality you have shown us. The house is so well prepared and comfortable and your willingness to involve us in the farm has meant none of the family wants to leave.

We'll be recommending Animal Land to everyone, and are all looking forward to coming back for another visit.

Many thanks from Karen, Paul and Kirsten Sydney NSW.

3 A holiday stay filled with highlights

Thank you to the team at Animal Land as everyone has made us feel so welcome during our stay. There were so many highlights from our stay with you including riding the pony, holding all the baby animals in the nursery and of course the chance to roast marshmallows on the fire.

Animal Land is just a fantastic place to stay and visit. Thank you so much for the experience.

Love, Victoria, Lydia, Scott and Jane
